MATTERS RAISED WITH PERMISSION

Withdrawal of Officials from the Indian Embassy on the eve of Prime Minister's Visit to Beijing

THE LEADER OF OPPOSITION (SHRI JASWANT SINGH): Sir, ordinarily, I would be loath to raise the issue that I am because I am mindful of the fact that during the hon. Prime Minister's official visits overseas, we ought to desist from saying or doing anything that would mar the visit. But the event itself has, I believe, so compromised the visit that I now cannot but submit what I have to with the expectation that the Government would take due note of it.

Sir, on the eve of the Prime Minister's visit to Beijing, a most unusual development took place which is that the Deputy Chief of Mission plus two officers holding the post of Minister, Science and Technology and also the Counsellor in the same Department, were withdrawn. This is extremely disturbing. It is rare and, by itself, it carries a tale which I do not have to recount here. But it is a very significant lesson that we have to learn from this because if this has had to be done on the eve of the Prime Minister's visit, then it could not be more serious. Also, it has many ramifications and aspects that need very deep reflection, both by the Prime Minister's Office as also by the Government. I will desist from saying any further, leaving at that in the hope, Sir, that somebody from the Government will stand up and be counted.

THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS AND THE MINISTER OF STATE IN THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI ANAND SHARMA): Sir, the hon. Leader of Opposition has raised this issue.
